## Privacy Policy

We are committed to protecting your privacy. We will only use the information that we collect about you lawfully (in accordance with the Data Protection Act 1998 and the EU General Data Protection Regulation – GDPR). This includes information submitted voluntarily by you through a form or gathered automatically as you visit this website.

You should not submit any sensitive or private information through this website except through acknowledged secure areas. The owners of this website accept no responsibility for data submitted through insecure areas of this website.

By submitting your contact details to us, you agree that we may contact you or send you marketing materials. Under European law you have the right to find out what information we hold about you, and to have it amended or deleted. Please [contact us](#) if you wish to do this.

This website uses cookies which are stored on your browser. You can usually modify your browser settings to prevent this happening. However, by disabling cookies, or certain types of cookie, you may hinder your user experience on this and other websites, or prevent them from working entirely.

Some cookies used on this website are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website. Without these cookies, services you have asked for, like the donation page, cannot be provided.

Some cookies used on this website collect information about how visitors use a website, for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies don't collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how a website works.

These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customise. They may also be used to provide services you have asked for such as watching a video or commenting on a blog. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

Cookies may also be used to improve the user experience and to enable some of the functionality provided by this website.

Please note that some cookies may be placed by third party service providers who perform some of these functions (or other services) for us. Cookies are used on this website for the following third party services: Google Analytics, Facebook Like Button, YouTube videos and Statcounter.com.

Some of these services may be used to track your behaviour on other websites and we have no control over this. To specifically opt out Google Analytics tracking on this and all other sites, you may install a plugin provided by Google to eliminate cookie tracking by their Analytics application entirely: <https://tools.google.com/dlpage/gaoptout>

By continuing to use this website without adjusting your browser's cookie settings, you agree that we can place these cookies on your device.

As is true with most websites, our server will automatically log data regarding each visit such as your IP address, browser type, referring/exit pages, and operating system. We may use this information to monitor server errors, server administration or to monitor visitor behaviour. It is not possible for this to be disabled on a per-user basis so you must leave this website (and the internet entirely) if you do not agree to this happening.

This privacy policy applies to this website only and does not apply to any websites that this website may link to.

If you have any questions/comments about privacy, you should [contact us](#).
